

Electronics and Tele-communication OCBC based semester-wise subjects:

Semester	Subject with code
First	101 COMMUNICATION SKILLS 102 PHYSICS 103 CHEMISTRY 104 MATHHEMATICS
Second	201 BASIC ELECTRONICS 202 ENVIORNMENTAL ENGINEERING AND SAFETY 203 INTRODUCTION TO COMPUTERS 204 BASIC ELECTRICAL ENGG 205 ELECREICAL AND ELECTRONIC WORKSHOP
Third	301 Analog Circuit 302 Analog Communication 303 Digital Electronics 304 Programming in C
Fourth	401-Electronic Measurement 402-Microprocessor & Microcontroller 403-Digital Communication 404-Analog Integrated Circuit
Fifth	501- Data Communication and Networking 502- Antenna & Wave Propogation 503- Embedded Systems with Arduino Instrumentation and Control Power Electronics Medical Electronics 504- PCB design & Minor Project Lab
Sixth	601- Advance Communication Internet of Things Lab Consumer Electronics Microwave and Radar Major Project
