

# Newsletter .....

## ANNUAL ISSUE 1, ACADEMIC YEAR 2015-16

### From HOD's Desk

I am very happy that Architecture and Interior Design Department is releasing its first Newsletter with the intention of sharing some of the exciting news of the Department occurred during past one year. This technical platform successfully reveals the talents of students and faculty. The department has a team of well qualified and committed faculty and staff members who are increasingly contributing towards empowerment of our students through various activities.

I take this opportunity to congratulate all of them and wish that this platform will strengthen interaction and integration among all of us. A special mention to our very talented faculty Dr. Charumitra Patil for making this newsletter a reality. I also invite all the readers for their contribution and suggestions for the future issues.

### Orientation Programme

An Orientation Programme was organized on 18 August 2015 for newly admitted students to make them aware of academic know-hows; various facilities available to them within college campus; various administrative sections to whom they have to interact with during their academic period.
